Learning Objectives

Following this presentation, attendees should be able to:

- 1 Identify key issues from the federal privacy and security rules applicable to business associates.
- 2 Explain the elements of notice of privacy practices (NPPs) that must be updated.
- 3 State the new definitions for business associates.
- 4 List the elements of new business associate agreements and compliance deadlines
- 5 Identify compliance tips for the privacy and security rules.

AMCP | Academy of
Managed Care
Pharmacy®

Important Dates & Compliance Issues

- Compliance with final HITECH rule required by September 23, 2013
 - Includes privacy and security rules
- Covered entities *must* update notice of privacy practices (NPPs)
 - HHS sample NPP available:
<http://www.hhs.gov/ocr/privacy/hipaa/understanding/coveredentities/notice.pdf>
 - Use as sample but modify

celebrating a quarter century of success!

www.amcp.org

AM
CP

Academy of
Managed Care
Pharmacy®

NPP Updates Must Include

- Changes to privacy and security rules
 - Notice of procedures for data breach and notification
 - Provisions for uses of information for marketing when specific authorization not required
 - Outline of uses for marketing that includes specific authorization
 - Notice of ability to request restrictions
 - Notice of ability to receive copies of records

celebrating a quarter century of success!

Important Dates & Compliance Issues

- Business Associate Agreements (BAAs)
 - Compliance by September 23, 2013
 - BAAs executed on or after January 25, 2013 *or*
 - Executed prior to January 25, 2013 *and* either not in compliance with pre-HITECH rules, *or* renewed or modified between March 26, 2013 and September 26, 2013
 - Compliance by September 22, 2014
 - BAAs renewed or modified between September 23, 2013 and September 22, 2014
 - BAAs executed prior to January 25, 2013 that comply with pre-HITECH rules *and* are not renewed or otherwise modified between March 26, 2013 and September 22, 2014
 - Sample BAA <http://www.hhs.gov/ocr/privacy/hipaa/understanding/coveridentities/contractprov.html>

Key Provisions

- Privacy: HIPAA v HITECH Rule
 - New requirements for BAs and BAAs
 - Breach notification
 - Marketing guidance
 - Patient requested restrictions to access
 - Patient electronic access to information
 - Accounting for disclosures
 - NPP
 - Penalties and accounting

celebrating a quarter century of success!

www.amcp.org

AM
CP

Academy of
Managed Care
Pharmacy®

Remember HIPAA?

- Good faith acknowledgement of NPP
- Use and disclosure of protected health information for treatment, payment, and operations
- Other uses require patient authorization
- Patients may access, copy and amend files
- Accounting of disclosures

celebrating a quarter century of success!

www.amcp.org

Pharmacy®

Expanded Definition of BA

- Now covered directly subject to audits and fines
- Includes
 - Health information organization
 - E-prescribing gateway
 - Any other entity or person that transmits or provides data services and has routine access to PHI
 - Person who offers personal health record to one or more individuals on behalf of a CE
 - Subcontractors of BAs

celebrating a quarter century of success!

www.amcp.org

AM
CP

Academy of
Managed Care
Pharmacy®

What's Required of BAs?

Provisions Applicable to BAs

- Security rules
- Privacy provisions, must be incorporated into BA contract
- May not use or disclose PHI except as permitted by Privacy or Enforcement Rule
- May not use or disclose if violations of Privacy Rule

Provisions that do not obligate BAs

- NPPs unless required by contract
- Administrative requirements
 - Appointing a privacy officer
 - Mitigation of breaches
 - Documentation
- Individual rights to access PHI or restrict disclosure except for information to PHI if BAA provides

celebrating a quarter century of success!

www.amcp.org

AM
CP

Academy of
Managed Care
Pharmacy®

Breach Notification

- Unsecured access to PHI*
- Applies to electronic, hard copy, and oral information
- Acquisition, access, use or disclosure of PHI in a manner not permitted under HIPAA privacy rule
 - Compromises privacy *or* security of PHI*

*Must apply an “exceptions analysis”

celebrating a quarter century of success!

www.amcp.org

AM
CP

Academy of
Managed Care
Pharmacy®

Breach Notification

- Three exceptions
 - Unintentional access, acquisition or use by workforce member under authority of CE or BA if
 - Made in good faith and scope of authority
 - Does not result in further impermissible uses or disclosures
 - Inadvertent disclosure by person authorized by CE or BA to access PHI pursuant to an agreement with a CE
 - Does not result in further impermissible uses or disclosures
 - Disclosure where CE has good faith believe that person would not reasonably retain information

celebrating a quarter century of success!

www.amcp.org

AM
CP

Academy of
Managed Care
Pharmacy®

Breach Assessment

- CEs and BAs must conduct breach risk assessment and determine whether notification required
- Presumption of breach unless
 - Exception applies
 - Low probability of PHI compromise
 - Nature and extent of PHI involved
 - Unauthorized person who used PHI or to whom the disclosure was made
 - Whether PHI actually acquired or viewed
 - Extent of risk mitigation

celebrating a quarter century of success!

Managed Care
Pharmacy®

Breach Notification: Timing & Methods

- First day known to employee, officer, or agent or *reasonably* should have known
 - Reasonable diligence
- Provided *without unreasonable delay* to individual but not more than 60 days
- Methods
 - First class mail to last known address *or* by email if specified *and*
 - By phone *if urgent*
 - Substitute notice in certain cases

celebrating a quarter century of success!

www.amcp.org

AM
CP

Academy of
Managed Care

Protocol to Prevent & Report Breaches

- Must have updated data breach policies and breach response plans
 - Included in BAAs, NPP, *and* other contractual agreements
 - Include risk assessment tools
 - Employee training
 - Review reported breaches in a timely manner and document

celebrating a quarter century of success!

www.amcp.org

AM
CP

Academy of
Managed Care
Pharmacy®

Marketing

- Communication that encourages purchase or use of products or services
 - Requires *specific authorization* for all subsidized treatment or health operation communications

celebrating a quarter century of success!

www.amcp.org

AM
CP

Academy of
Managed Care
Pharmacy®

Marketing: HHS September 2013 Guidance

Permitted without authorization

- Refill reminders
- Generic equivalents
- Lapsed rx within 90 days
- Adherence
- Self-administered drugs

Not permitted

- Specific new formulations
- Specific adjunctive therapy
- Communications involving switches

- Remuneration
 - Non-financial, in-kind
 - Permitted to *CE* if does not exceed “reasonable costs”
 - Permitted to *BA* if reflects fair market value

HHS FAQs <http://www.hhs.gov/ocr/privacy/hipaa/faq/marketing/index.html>

Sale of PHI

- Specific authorization required if
 - CE or BA directly or indirectly receives remuneration from or on behalf of the recipient
 - CE or BA is being compensated, including non-financial remuneration
- Exceptions
 - Public health
 - Research
 - Treatment or payment
 - Sales, transfer, or merger
 - BA regular activities
 - To individual
 - Required by law/under privacy rule

celebrating a quarter century of success!

www.amcp.org

AMCP | Academy of
Managed Care
Pharmacy®

Patient-Requested Restrictions to Access

- CEs and providers must comply with request if
 - Purpose if for payment or operations, not treatment
 - PHI pertains solely to health care items or service paid out of pocket in full; and
 - Disclosure not otherwise required by law (ex PDMPs)
- Allowed to make requests for payments in cases of bounced checks, etc
 - Impalement policies an procedures
- Electronic systems should be designed to flag data subject to restrictions

celebrating a quarter century of success!

www.amcp.org

AM
CP

Academy of
Managed Care
Pharmacy®

Right to Individual Records

- Individuals have a right to copy or designate information in *electronic format* from any CE or BA that uses or maintains a designated record set for PHI
 - Form must be readily producible
 - Must ensure security of transmission, such as secure email
- Individuals have the right to a *paper copy* of PHI
 - Request must be in writing, signed by the individuals, and clearly identify the designated person and where to send the information
 - Electronic request meets in writing definition
- Entities may not impose a fee that exceeds labor costs
- Must fulfill requested within 30 days

celebrating a quarter century of success!

www.amcp.org

Academy of
Managed Care
Pharmacy®

Accounting of Disclosures

- Proposed rule in May 2011
- No final rule!
- HIPAA requires accounting of non-routine TPO
- HITECH requires accounting of all disclosures in previous 3 years made through electronic health record
- Office of the National Coordinator exploring issue

celebrating a quarter century of success!

www.amcp.org

AM
CP

Academy of
Managed Care
Pharmacy®

How to comply

- Must follow the provisions of the Security Rule
 - Physical, technical, and administrative safeguards
 - Policies and procedures
 - Must conduct a risk analysis
 - HHS recently developed guidance on procedures for remote access
 - Use guidance from National Institute of Standards and Technology (NIST) for electronic security issues

HHS resources on Security Rule

<http://www.hhs.gov/ocr/privacy/hipaa/administrative/securityrule/securityruleguidance.html>

celebrating a quarter century of success!

www.amcp.org

AM
CP

Academy of
Managed Care
Pharmacy®

How to comply

- Implement BAAs
 - Enforcement provisions will apply with or without a BAA
 - CEs must evaluate vendors and service providers
 - BA must assess relationships with subcontractors
- Develop compliance plans
 - Ensure incorporation of new provisions
 - Ensure plans for gaps
 - Assume you will experience a breach! Need to efficacy of policies and procedures
- Implement practical training and policies and procedures understandable to employees
- Review HHS audit protocol <http://www.hhs.gov/ocr/privacy/hipaa/enforcement/audit/protocol.html>

celebrating a quarter century of success!

Penalties (For HITECH & HIPAA)

Violation Category	Each Violation	All such violations of an identical provision per calendar year
Did Not Know	\$100 - 50,000	\$1,500,000
Reasonable Cause	\$1,000 – 50,000	\$1,500,000
Willful Neglect – Corrected	\$10,000 – 50,000	\$1,500,000
Willful Neglect – Not Corrected	\$50,000	\$1,500,000

Keys for Enforcement

- Proactive in addition complaint driven
- Prepare for periodic audits
 - Pilot in 2012: http://www.hhs.gov/ocr/privacy/hipaa/enforcement/audit/hipaa_compliance-audit_print-friendly.pdf
- Nearly 20K investigations and enforcement actions against health care organizations and BAs in 2012
 - No NPP
 - Stolen laptops without proper security
 - Posting PHI on websites accessible to the public
 - Access to USB drives or other electronic media
